

# Invitation

## to the awarding of the Ernst Haage Prize 2024

The Ernst Haage Foundation has set itself the goal of promoting research in the field of chemistry and especially young scientists. In this context, the foundation and the two Max Planck Institutes in Mülheim have been awarding the Ernst Haage Prize since 2006.

Serena DeBeer, Chair of Ernst Haage Foundation, cordially invites you to the award ceremony. We are delighted to extend this invitation for you to join us and engage in interesting discussions with our distinguished guests in a convivial atmosphere following the event.
