

2ND
IMPRS – RECHARGE SYMPOSIUM

CATALYSIS TOWARDS GREENER CHEMISTRY

May 20th to 23rd 2019

Max-Planck-Institut für Kohlenforschung,
Mülheim an der Ruhr, Germany

- △ Heterogeneous Catalysis
- △ Homogeneous Catalysis
- △ Bio-Catalysis
- △ Industrial Catalysis

Featuring Lectures by

□ **Prof. Frank Neese**
Molecular Theory and Spectroscopy
Max-Planck-Institut für Kohlenforschung
Germany

□ **Prof. Peter Styring**
Chemical and Biological Engineering
The University of Sheffield
United Kingdom

□ **Prof. Beatriz Roldán Cuenya**
Department of Interface Science
Fritz Haber Institute
Germany

□ **Prof. Stenbjörn Styring**
Department of Chemistry – Ångström
Uppsala University
Sweden

□ **Prof. Ulrich S. Schubert**
Organic and Macromolecular Chemistry
Friedrich-Schiller-University Jena
Germany
